**INFORMATION: OPERATIONPATRIOTSUPPORT.ORG**

In years past we have celebrated Medal of Honor recipients, wounded Special Operations warriors, and many others that have given so much to this country. This year we are honoring the 100th anniversary of the 82nd Division.

**100 YEARS  
1917 - 2017**

The 82nd has a history of determination, bravery, and heroism; but one of the more colorful stories comes from the Battle of the Bulge in WW II: "A tank destroyer from the 7th Armored Division spotted a lone trooper from the 82nd digging a fox hole. The commander stopped and asked him if this was the frontline. PFC Vernon Haught looked up and said, 'Are you looking for a safe place?' The tank destroyer commander answered, 'Yeah.' Haught then said, 'Well, buddy, just pull your vehicle behind me. I'm the 82nd Airborne Division, and this is as far as the bastards are going.'"

**"...this is as far as the  
bastards are going."  
PFC Vernon Haught**

## **"ALL THE WAY"**

We hope to have several veterans representing the 82nd, along with many other of our country's heroes at this year's event. All of us at OPs hope that you will be a part of this great event, spend the day with some of our veterans, law enforcement officers, and first responders. Please remember a veteran, law enforcement officer, or first responder is available to participate with each team. We encourage you to leave a spot on each of your teams and spend time with a real hero.
